东野晓与城户清春加入了篮球队。清春成为「F」组的正式选手兼补球员，但是小晓却被编入没资格进入篮球队的「F」组……虽然没有资格打球，但是小晓仍然继续坚持。苦撑的结果，往往是球场上只剩下他一个人。小晓以他与生俱来的强烈战斗心，聚集了夥伴……这是一部有欢笑有泪水、朝气蓬勃的篮球作品！

Kido Ryohearu and Higashino Akishuki, who had been playing basketball together since young, transferred to a school strong in basketball in the summer of their second year at junior high.

Holding high hopes, they didn't expect the results of the trial for the basketball team. Ryohearu passed, entering group (B) and becoming a reserve. But Akishuki was sorted into (F), the group that was not qualified to play basketball.

Those first years sorted into (F) all quit, one by one, until only Akishuki was left. Even so, Akishuki refused to give up. The chemistry teacher, Aikunuma, told him to find companions. Working hard, Akishuki found 4 companions. He cleaned the court by himself, and was about to start practicing, when (B) challenged there...?
